

Dear Dolphin Families,

Welcome back! We are super excited to start a new school year with all of you, and we would like to congratulate everyone on maintaining our school grade of an A. We are the only K-5 Elementary school to maintain our A for 4 consecutive years and we are Title I. In our final year of the theme to Motivate, Lead, Navigate and Succeed, we will strengthen our position as a “School of Excellence” by our collaborative work with standards-based instruction to meet ALL student needs. Our guiding symbol- the ANCHOR- symbolizes the power of unbreakable connections forged from our heritage, passions and beliefs. We will remain grounded, and trust in our collective ability to insure success for every CHILD, every CHANCE, every DAY.

As always, this means that it is essential to continue to strengthen our home-to-school connections and foster long-lasting relationships in support of our children. Whether you wish to volunteer, make an appointment to meet with your child’s teacher, or simply have lunch with your child, we welcome you and are here to serve you and your family. Please know that we encourage your questions, ideas, and solutions as we are truly better together.

Thank you in joining us in the effort to make sure Lakeview Elementary exceeds the needs of our community. It is certainly a pleasure to serve all of you. Hat’s off to another “Dolphinomenal” year together.

Sincerely,

*Tracy Shenuski*
