Notes: Please remember when students arrive prior to 7:50am, there is no supervision. For the safety and security of your child, please encourage them to not arrive prior to 7:35am. Please also note that in an effort to increase safety you should avoid lining up in the car line prior to 3:00pm. The St. Cloud Police Department will be conducting drive bys to monitor for street parking. We have seen an increase in the number of parents who are driving in the front parking lot to drop off students. This is not a drop off area. Please park across the street at the park to allow your child to walk in or use the car loop. The front office parking lot is for students who are tardy after the car loop closes.
