

Greetings Dolphins Nation,

We are so excited to welcome you back to another a great year here at Lakeview. Dr. Cleveland, and I can't wait to see all the learning that takes place with your child(ren).

This year our theme is "If not you...then Who?" Our symbol in moving us forward as both learners and leaders is the Owl. This significant symbol has many meanings but most importantly, it represents wisdom and knowledge. We also have a secondary symbol, the Llama. Llamas represent a collaborative spirit, communication and working for the greater good. Our target is to prepare our students' foundation for learning in such a manner that it ensures they will be college, career, and future ready when they graduate high school. This knowledge coupled with our collaboration with you, will set your child's future in motion.

As learners, our staff is constantly refining their practice in the classroom with regards to utilizing best practices in the areas of instruction, social-emotional wellbeing, and citizenship. These three things embody our school-wide expectations for action. Lakeview Dolphins are Respectful, Responsible, Problem-Solvers. We use these in our daily practice, and they serve to help us in any situation we might face as a young person or an adult.

As leaders, we will be working hard to regain our status as an "A" rated school by making sure that the needs of our students are met in every way possible. This can be strengthened with a solid partnership from home. Should you have any questions, comments, or concerns please call, email or stop by. We are here to serve you and your child. We are a "Red Carpet Service" award recipient and as such, we want to support your efforts to help your child become the best learner they can be.

We look forward to another stellar year. We are glad you are here and we are so fortunate to partner with your family on your child's educational journey.

Sincerely,

*Mrs. Shenuski & Dr. Cleveland*
